#### **Mission Description**

#### Description

encourages, enlights, and empowers our community partners to recognize and provide outreach opportunities as we support the international population to develop stronger connections with other members of their community. WOC solicits financial support for programs for clients, with specific needs who have been unable to acquire services elsewhere. More than 70% of our clients are low-income families and lack of money often prevents them from meeting their basic needs, such as food, work, transportation, clothing, and housing. WOC seek assistance from the community where they reside, to meet the needs.
